Our goal as Group leaders is to facilitate a fun, competitive league for all participants to enjoy. In some situations, depending upon registration numbers, Group leaders may find it necessary to move a player between levels.

**The round robin leagues will run similar to last year. For new players, we will be conducting an informational meeting on Saturday, May 14 at 9 am at Lillis Park.** Please plan to attend if you have any questions about the matchup schedules, scorecards, and league guidelines. You can submit any questions or concerns to our email: [bpaleagues@gmail.com](mailto:bpaleagues@gmail.com). We are happy to answer all questions.

If you have friends who are interested in league play but aren't yet members of the BPA, give them a nudge to join the BPA and then register for league play too. The more, the merrier :) See you on the courts!!
